Alan Kilpatrick, Reference Librarian
Law Society of Saskatchewan Library

Developing and Supporting Legal Information Specialists.

The Canadian Association of Law Libraries (CALL) is dedicated to promoting the networking, professional development and career growth of all law librarians in Canada, no matter where they work. We are committed to promoting law librarianship, developing and increasing the usefulness of Canadian law libraries and fostering a spirit of co-operation among them, providing a forum for meetings of persons engaged in or interested in law library work, and co-operating with other organizations that tend to promote the objects of our Association or the interests of our members.

Moving the Library: A Solo's Reflection by Helen Mok in the latest issue of the #CLLR goo.gl/snuuiQ

!!! Moving The Library: A Solo's Reflection**

By Helen Mok
This post is an adaptation of an unpublished manuscript I wrote in 2011 about my own feelings for a solo librarian. It was published in the latest issue of the #CLLR journal. I hope you will find it interesting and helpful. The original text is available at goo.gl/snuuiQ. I have made some minor edits to the text to make it more readable and to correct some typos. I have also added some photos to the post to make it more visually appealing. I hope you will enjoy reading it as much as I enjoyed writing it. #CLLR #Solo #Reflection #Library #HelenMok
